

Libra

Design Luca Erba - 2021

Storage unit

Description

The storage unit Libra is a twist of gold finish metal pipes supporting storage elements and artistic glass shelves. The high craftsmanship emerges from the artistic glass obtained through the casting in plate technique realized by the Master glassmakers of Venice area. The inspiration of storage unit Libra comes from the typical structure of "trabucchi", small wooden constructions built along the East coast of Italy and used for fishing.

Materials

Lacquer, Metal, Artistic glass

Dimensions

220 W x 48 D x 75 H cm (LIBRA.13300/A)

220 W x 48 D x 65 H cm (LIBRA.13300/B)

250 W x 48 D x 75 H cm (LIBRA.13400/A)
