Pouf

Description

Pouf Hug is characterized by two seats separated by a Calacatta gold marble insert that can be used as a tray. A part of the seat is decorated with soft three-dimensional quiltings with rhomboid pattern that underline great sartorial skills. It can be used as an upholstered element in living rooms or walk-in-closet. The collection includes also armchairs, beds and sofas in different sizes, available both in leather and fabric upholstery.
